

CME Virtual Event: Clear Vision Surgical

What makes a good Refractive Lens Exchange Candidate? Join us as we present the parameters for this life changing procedure and so much more. This is a virtual event and will be presented Live Via Zoom.

The agenda for the evening includes:

- an introduction of new surgeons that have joined our family at CVS
- a presentation on the parameters for a good Refractive Lens Exchange candidate
- the referral process for your Laser Vision Correction patients
- and most importantly we invite you to join us in a discussion of where we are today and how we can better serve you and your patients in the future.

This event takes place on Wednesday April 27, 2022 from 6:30 pm to 8:30 pm live via Zoom.

Be sure to register for this event by contacting Krystal our Optometric Liaison at 226-499-2021 or you can email her directly to krystal@clearvisionsurgical.com

Once you have registered, you will receive login instructions for this event.

We look forward to seeing you and welcoming you virtually to Clear Vision Surgical.
